

# GRATITUDE Report

At **Helping People Succeed**, we call our annual report the Gratitude Report because we are grateful ~ grateful for the hundreds of donors, businesses and volunteers who are passionate about the services we provide and grateful to the children, adults and families whom we have the honor to serve.

**94** volunteers

**7,100** volunteer hours

**154** full and part-time staff

# GRATITUDE REPORT 2022 ~ 2023

Building Successful Families & Futures ~ One Life at a Time!

# Another Year ~ and a Forever Mission ~ of providing resources to build success for people at every age.

## OUR MISSION

Helping People Succeed transforms lives by realizing potential, creating hope and building futures through education, counseling, training and employment.

### BABY Steps

Building brain readiness for language and learning and helping parents to raise healthy and confident children.

Babies don't come with instruction manuals! I'm so grateful for all I've learned from the wonderful people at Helping People Succeed.

~ a new mom

4,922 children served

### AUTISM Services

Assessments and early interventions for infants and toddlers. Individual and family therapy at home or in school to help every child on the autism spectrum achieve success.

I can't tell you how grateful we are to have such a helpful program available to us.

~ parent of a young girl with Asperger's Syndrome

### SCHOOL Readiness

Working with parents and early learning teachers to help children come to school ready to learn.

100% toddlers ready for school

### HEALTHY Families

Parent coaching and support to help families build stability and self-sufficiency.

I was at risk of losing my son. Healthy Families came into my home and helped me be a good mom.

~ a grateful parent

1,525 children and families served

### SAFE and FREE of Abuse and Neglect

100%

children and families had no reports of abuse and neglect within 12 months of completing the program.

### HELPING Kids Succeed

60 children ages 6 to 14 with behavioral and emotional challenges benefited from structured homework support, social skills training and academic tutoring.

What a difference this after-school program makes to our kids! They're so much more confident and better at making friends.

~ an elementary school teacher

### BEHAVIORAL HEALTH CARE for the Whole Family

Through therapeutic and psychiatric support, positive professional mental health counseling helps every member of the family, regardless of age. They learn healthy social skills as well as how to cope successfully when there are challenges.

1,102 children served

105 adults served

### SUMMER Camp Success

30 children were able to build stronger mental health and behavioral skills.

### STEPS to Success

22 young adults on the autism spectrum worked together to improve their social, educational and work life skills.

I never thought Philip could get and keep a job, but thanks to you, he is happy and has a purpose.

~ Philip's grateful dad

### VOLUNTEERING for Independence

45 adults with intellectual disabilities volunteered for our local nonprofits. Their volunteer service hours are valued at more than \$160,000.

### FINDING Employment

28 adults with disabilities are now working at a variety of jobs throughout our communities.

### KEEPING a Job

115 adults with disabilities worked with a retention specialist to maintain their employment with local businesses.
