CEO, Kara Stimpson

Our Vision

To build inclusive communities where individuals of all ages and abilities are empowered to reach their fullest potential and live meaningful, connected lives.

Our Mission

To empower individuals of **all ages and abilities** - and their families – through **comprehensive intervention and disability services** promoting growth and belonging.

Our Model

We employ a **comprehensive and coordinated approach** to each person's care ensuring the creation of a **targeted service plan** that is responsive to each individual's needs, walking alongside them to their success.

Making an Impact

For All Ages!

Mental health services including therapy and psychiatric care provided in our offices, schools, or other community locations, along with Case Management and Care Coordination services for any client to ensure their wholistic needs are met.

Birth through Five (0-5)

Services for families with children ages birth through five providing early identification of potential developmental delays and followed by interventions supporting their healthy development.

School Aged (6-18)

Services for youth ages 6-18 with a 504 plan, IEP, suspected or diagnosed disability, mental health need, or behavioral challenge to support their successful inclusion in their homes, schools and community.

Transition Years (18-22)

Services for individuals ages 18 through 22 with a 504 plan, IEP, suspected or diagnosed disability, mental health need, or behavioral challenge to support their successful transition into adulthood.

Adults (23 and up)

Services for adults with a suspected or diagnosed disability ages 23 and older to support their journey towards self-sufficiency and successful inclusion at home, work, and in the community.
