

Vision:

To build inclusive communities where individuals of all ages and abilities are empowered to reach their fullest potential and live meaningful, connected lives.

Mission:

To empower individuals **of all ages and abilities** - and their families - **through comprehensive intervention and disability services** promoting growth and belonging.

Our Model

We employ a **comprehensive and coordinated approach** to each person's care ensuring the creation of a **targeted service plan** that is responsive to each individual's needs, walking alongside them to their success.

STRATEGIC PLAN 2026-2028

Two Locations:

Goal 1

Establish Clear Organizational Identity and Messaging

- Create clear Vision, Mission, Core Values
- Create clear menu & timeline of services decreasing a duplication of care
- Increase staff understanding of organizational identity
- Increase education of staff and board avoid mission creep & negative impact
- Increase participant understanding of organization identity
- Build year 2 of Marketing & Communications plan
- Build out year 3 of Marketing & Communications plan
- Create advocacy strategy & agenda

Goal 2

Build Stronger Community Awareness

- Create marketing collateral targeting identified audiences
- Identify metrics to measure & monitor marketing efforts
- Enhance process & strategy of organization participation in external engagement
- Increase & enhance formalized collaborations for services & referrals
- Identify in-kind radio/TV/Print exposure
- Assess year 1 statistics & build plan for year 2
- Assess community awareness after year 2 & build plan for year 3

Goal 3

Diversify Funding Sources

- Reduce government dependency by 25% over 3 years
- Identify services eligible for private pay, determine generated revenue, & what to pursue
- Review, update, & roll out sliding scale fee structures & determine impact
- Cultivate strategic plan to increase philanthropic giving over 3 years
- Develop planned & legacy giving strategy

Vision:

To build inclusive communities where individuals of all ages and abilities are empowered to reach their fullest potential and live meaningful, connected lives.

Mission:

To empower individuals **of all ages and abilities** - and their families - through **comprehensive intervention and disability services** promoting growth and belonging.

Our Model
